

- From the Directors -

Well, with another surprisingly nice riding month behind us it's time to start winding down and settling in for the winter season, right? Maybe not . . . on Thursday evening we took 5 Wings and 7 people up north to rescue "Rocky" from Chapter A. Great night for riding each direction. Oh, we had a nice time with Chapter A and their other visitors, too.

The Friday day ride had 10 bikes with 12 people on board. I guess maybe we'll wait until after Sundays Brunch Ride to start making our transition into the winter riding season. Gotta love Colorado!!

But don't think that the changing weather will be dampening our fun and adventure. We still have the Chapter G Turkey Bingo on Nov 15th, the Multi-Chapter 2015 Planning Meeting on Nov 22nd, Thanksgiving Day on Nov 27th, then we're already to our next gathering on Dec 6th, our Chapter I Christmas Party on the 13th and the All Colorado Christmas Party on Dec 20th. I guess we'll let you have a couple weeks off after that...I understand there are a couple of other holidays around that time. Watch your emails for more info on the above events.

See You
Soon !!!

Members to Remember

It was great to see Ray Daniels at the November gathering. He did have back surgery on Oct 8 and appears to be doing well. Best wishes for continued success as Ray still has more surgery ahead.

Dorothy Tolliver and Casey Ward were also at the November gathering and are looking great! Continued good health to you ladies !

It was also so very good to have our Assistant Chapter Directors, Steve & Jacque Callicot back.

Winter Ride Time Limited

Some people state that they ride all the time in the winter...no, that they ride some of the time in the winter. Let's face it folks, Colorado is a snow state. Our skills are the sharpest during the summer months. We may ride during the winter, but our skills may not be as sharp as they were in the summer. For example, we wear different clothes, boots or gloves during the winter. If wearing summer gloves for most of the time and then changing to a thick winter glove, the feel of the handlebar will be different. You can still ride, but it is a different feel than with the summer glove. The throttle is different; the clutch has a different feel than the summer glove. The same will go for the boots and anything else that you may change. Just keep in mind that winter riding is different than summer riding.

We ride all the time in the summer, but some of the time in the winter.

Be safe and enjoy happy winter riding

COMMUNITY SERVICE

The Chapter has collected small toiletries for the past year to be put into small cloth bags and delivered to charitable organizations in Colorado Springs. Laurie Cruzan has worked hard sewing small bags and Chapter members will be stuffing these bags on November 10.

Several Chapter I ladies met at Laurie's house to make fleece blankets which will be part of our community effort this year. We are checking with several organizations in town to see which ones will be needing these most. Sometime in November the committee will deliver these items as they are most appreciated when the weather gets colder.

The Community Service Committee wants to thank all of you for your generosity and we will keep you posted on our collections and deliveries.

Also, the church where we hold our meetings has benefited from the generosity of the folks who donated food to the food bank. We had a goal of 1500 pounds for the year (I say HAD). We reached our goal as of the November meeting. The bank would still appreciate donations in December. Maybe our poundage goal will be higher next year.

GOOFY

Goofy is awarded to one Chapter member who has done the goofiest thing since the last meeting. Goofy gets to spend the next month with that person. The person receiving Goofy must add or attach something that represents their “goofy” stunt.

Members, be on the look out for someone pulling a Goofy.

Goofy III had the privilege to go home with Chris Ward this month.
This honor was a result of an FTEB goofy.
We look forward to his 'safe' return in December.
