

- From the Directors -

Great Picnic!!! Again... I know, I'm always saying that but you guys really put together quite a party! Thanks again to everyone that made it such a success!

And with that behind us we can now sit back and relax for a while, right?

Oh . . . no, no, no, seems there's a Colorado District Rally taking place in Montrose just one short week from now. No rest for the weary, but we'll have another great time.

Chapter I is once again presenting the Colorado District Bike & Light Shows. Our most excellent volunteers have stepped up and are being highly trained and equipped to accomplish their task. Go Team! Our 2014 COY, Jim & Olga, are stepping in to participate in the 2015 COY selection. I hope that most of you can make it to support and cheer them on.

So whatever you are doing, enjoy your August, get out there and ride and we'll see you at the meeting in September.

Ride Defensively

We are in the heart of summer and we still need to ride defensively. Well, back in the day, other drivers would watch out for each other as we all drive. But now, not only must we watch out for ourselves but for the other drivers. We must also ride defensively as well as offensively at the same time. Our lives depend on it.

Helpful tips to remember:

- *Slow down at intersections and ride through carefully.
- *Watch for turning vehicles.
- *Stay out of driver's blind spots.
- *Signal well in advance of any change in your driving pattern.
- *Don't **assume a driver sees you**, even if eye contact is made.
- *Use your horn when necessary or if you aren't sure a driver can see where you are.
- ****RIDE PROUD... DRESS LOUD (Like Ralph).***

CHAPTER I MYSTERY RIDE

Mystery Ride? Where To???

That was the question everyone kept asking to try to get the answer from us. Somehow we managed to keep it a secret until the Mystery Destination.

The day started at Apex around 8 am with 7 bikes and 2 trikes which included 14 people. Each person wrote their guess of the mystery place and mileage down on a paper which were held in secret until the final destination. Cards were shuffled by Terry and Rocky and 1 card drawn to begin the Fun Poker Run.

We broke up into 2 groups with the first group led by the Lockhart's and the 2nd group led by the Weber's.

The first stop was a card draw and potty break at Lake George. A lot of guessing going on but still no one knew for sure. We continued on to the 2nd stop and breakfast.

As we cruised down a long stretch of road, Nancy pulled out some 1950 trivia questions and the fun began....like " in 1957, who left the music business to become a preacher?" Most of the questions were answered fairly quickly. Chris Ward, Jim, Olga and Rocky answered the most. Before getting to the 2nd stop, Olga guessed Buena Vista at Coyote Cantina...she was always trying to get the jump on the guesses. Yes, she was correct for that stop anyway. We had a very good and filling breakfast.

The 3rd card was drawn and we were back in the saddle for the next journey. We continued North thru Buena Vista where we were spotted by Cliff and Myra as they washed their mobile home off from camping at Taylor Reservoir. Sorry...we didn't see them! As everyone was enjoying the ride, wildflowers and scenery, we found ourselves.....where?? yes, Leadville.....".is this the""NO"... this was not the mystery destination. We stop in a park area for a little break and to draw the 4th card.

Olga was really curious now as she mentioned that "Turquoise Lake was really close to here". I mentioned to Claude and the group that "maybe we should take a trip around the lake since we were so close". So we headed out of town toward Turquoise Lake and ended up at the North end of the lake at a picnic area. Just as we pulled in and dismounted, the rain started falling. Claude and I announced "welcome to your Mystery Destination!" Where else would a Turquoise bike take you! ha! Due to the rain and still being full from breakfast we decided not to pull out the snack as planned. (This was also to be the awards and poker fun finale'.) We made a quick 5th card pull and potty stop out of it and decided to continue on to the next place.

We then went past the Climax Mine, then on to I-70 to Frisco ending in Breckenridge for a late lite lunch stop at Mi Casa in hopes to wait the rain out as well. I pulled out the papers of guesses and although there were alot of good guesses, only 1 came in the closest to the Final Destination of Turquoise Lake. Doug Irish guessed Leadville and was also very close to the mileage to get there. Jim and Olga somehow pulled off 2 great poker hands and won all the pot of \$73. What luck? !

After a nice long break, great conversation, and good food, it was time to head for home. The rain had stopped although we seemed to follow it all the way to Woodland Park via the beautiful drive by Tarryall Lake.

We stopped in Woodland Park for the final goodbyes and last potty break then everyone split off where needed as we came down Ute Pass toward home. Claude and I pulled into our driveway about 7:20 pm so it was indeed a Wonderful, Enjoyable, and Mysterious all day ride.

We would like to thank those who participated and made this trip most enjoyable. Terry and Vonda Weber (thanks for helping pull this off), Rocky and Faith Rigby (thanks for helping with the Poker part); Joann and Dean, Leon Carpenter, Jim and Olga Wyman, Chris Ward (thanks for the pictures), Doug Irish and Mike Wyman. Most important.....so glad we all made it home SAFE!

Chapter A Members and Supporters-

Chapter A is having its annual Chapter Appreciation Picnic at Sterne Park on Thursday, 6 August 2015 at 6PM. It's my recollection that we will be in the south pavilion. As you will notice from the site below, parking can be a challenge. We will NOT be meeting at the Golden Corral. The chapter will be providing the meat. Participants, members and our supporters, are requested to bring a dish of your choice to share potluck style. Look for a laid back evening of fun and fellowship. The chapter wants to express its gratitude and appreciation to all who have participated in our gatherings, events and rides this year. Even if you haven't yet, but plan to before year's end-come on down.

Location information: <https://www.ssprd.org/sterne-park>

We need a good count of members and supporters to purchase the appropriate amount of victuals, who will be attending. Please, respond to grif80128@comcast.net not later than Friday, 17 July with a count of those planning on attending.
