CHAPTER I

Monthly Gathering

** MAINTENANCE DAY **

Saturday, May 7

LOCATION

2715 Casden Circle

I'm sure that we've all heard that March comes in like a lion and leaves like a lamb. In Colorado, this may not always be true as the weather continues to be variable for several more months. However, it definitely is Spring in the Rockies, and that brings many more opportunities to get the bike out. There's also an uptick in the number of events available to you with the warmer weather, and here is just a few over the next few weeks...

Rider Ed Seminar is this Saturday, April 9th at Fay Myers Motorcycle World. This is a FREE all-day event that covers a lot of great topics including Riding Mountains, Hills and Curves, Riding in the Heat, Team Riding, Trailering, and Motorcycle Crash Scene Response to name a few. Chapter-I is planning to leave the King Sooper's parking lot (off Baptist Rd) at 7:00AM to ride up together.

Another fun event is the Chapter-A Breakfast FUN-draiser on Sunday, April 24th. There will be 50/50, auctions and games, and I'm told there will even be a great breakfast. The cost is \$13 at the door, and \$10 pre-sales...contact Jim Griffin at 303-933.9492 or Mike Werner at 303-434-5242 for more information. Chapter-I is planning to leave the King Sooper's parking lot (off Baptist Rd) at 8:00AM to ride up together.

Our next Chapter-I meeting is May 7th, and Darrel and Laurie Cruzan have once again graciously opened up their house and garage for our annual Maintenance Day. This is a great time that we get together for some fantastic breakfast food, camaraderie and of course an opportunity to work on each other's bikes! Breakfast will start around 8:00AM followed by a short Chapter meeting at 9:00AM, and then we'll start working on our bikes shortly after the meeting. We are asking for a \$5 donation this year to help with some of the costs. In addition, our Community Service Committee (Marsha, Laurie, Nancy L.) are planning on creating fleece blankets that will be given to charities later in the Fall. This event is one of our favorites, and certainly one that you don't want to miss. We hope to see you there!

Ride safe, and we will see you out there.

#### THOUGHTS FROM THE BACK SEAT

Years ago, Steve and his dad had a cabinet shop. They built custom pieces of beautiful wood furniture. Each piece was hand crafted and created to fit specific locations in each customers house or office. Their work was absolutely beautiful. In the 8+ years that we had the cabinet shop, we made many things, money was not one of them.

Money was always a concern. In order to make groceries last, Steve and I would share a can of soup and some peanut butter crackers for dinner each night. I would only cook one meal a week, on Fridays. I would look through my cookbook every Friday, trying to find just the right combination to make our meal that night special.

I remember a particularly difficult time. We had \$25.00 to buy enough groceries to last a month, tough. By now, our oldest daughter Jill was born and was less than a year old. I bought the groceries, made a plan, it was going to be slim pickings but we would eat.

I can't remember, the errand we went on or why we were gone, but I will ALWAYS remember when we got back home. I was trying to decide what I was going to feed 3 hungry people, opened our pantry and stood there with my mouth open. Our pantry was not full of food, it was bulging! There was not an empty place any where, on any shelf. It was stuffed, from top to bottom. When I finally got over my surprise, I started to cry. To this day, we still don't know who blessed us with all that food, but I promise you, I have thought of them many times over the years and prayed they have been blessed in return.

Every time I see that cart at our monthly chapter meeting loaded with can goods, headed to the church's food pantry, it makes my heart smile. When we give to those that are having a hard time and just need a little help, we are making a difference. When you nourish a body, you also nourish a heart, brighten a countenance, make everything they are facing, a little easier.

I Love Chapter-I for so many reasons, how you generously give is just one of them. So let's load up the cart with can goods, fill the food pantry bucket with cash and make this world a little bit better for those within our sphere of influence.

#### Explanation of the GWRRA Rider Education Levels Program...

#### Purpose

The GWRRA Rider Education Program (REP) is intended to make the motorcycle environment safer by reducing injuries and fatalities and increasing motorcyclist skills and awareness. The REP does not propose to have all the answers. However, our close-working

relationship with the Motorcycle Safety Foundation (MSF), as well as additional GWRRA programs and studies, has provided a wealth of information for use in establishing a comprehensive Rider Education Program. Through Commitment, Education and Application, we can reduce our accident rate significantly. Listed below are several benefits of a fully implemented GWRRA Rider Education Program at the Chapter level:

- Increased rider knowledge
- Increased rider safety skills
- Prevention of accidents
- Reduced injuries
- Reduced fatalities
- Improved general public image of motorcyclists
- Enhanced enjoyment of motorcycle riding

The motorcycle community is already realizing many positive benefits from the GWRRA Rider Education Program. Through the efforts of the Rider Education Officers and participation of the membership and others, we will reach our goal of establishing the safest motorcycle environment possible.

Level I: Safety by Commitment - The first big step to success

Level I of the Rider Education Program is also referred to as Safe Miles. It represents the commitment of the Rider and/or the Co-Rider to practice safe motorcycle operation whenever they operate their motorcycle.

Safety is a state of mind which can only be attained through total commitment. Every successful accomplishment begins with a commitment to reach the intended objective. This is true of the Rider Education Program and includes a promise to learn for the sake of Rider, Co-Rider, friends and family, and others on the road.

Though there is no mileage requirement to enter Level I, the commitment to safe riding is tracked by the number of accident free miles since joining GWRRA. Accident free miles are accumulated in 5,000 mile increments and may be updated at yearly intervals. Requirement: Verbal commitment to ride safely at all times. No cost to sign up. Patches available at \$6.00 per participant Receive: "Safe Miles" patch, Rider (or Co-rider) Rocker, and mileage pin.

Level II: Safety by Education

Level II of the REP is also referred to as Tour Rider. It represents the commitment of the Rider and/or Co-Rider to be safer motorcycle riders by taking approved motorcycle riding courses at regular intervals.

GWRRA has chosen several educational training programs for the Riders and Co-Riders such as the MSF (Motorcycle Safety Foundation) programs, the United Sidecar Association course, the CSC (Canadian Safety Council) programs, and the GWRRA's Advanced Riding courses and Parking Lot Practice programs. (See note in the Rider Education Manual on PLP.)

Completing these courses provides the foundation and skills for your quest to be a safe motorcycle rider. All recognized programs with the exception of the PLP are taught by qualified and Nationally certified instructors. PLPs use our Facilitators to administer the program.

For the Co-Rider, we have provided an excellent seminar and "Two Up" programs to assist in their role in the safety aspect of motorcycle riding.

Motorcycle education goes "hand in hand" with commitment. The "on bike" education by MSF, USCA, CSC and GWRRA for the Rider and Co-Rider and the "off bike" education designed specifically for the Co-Rider, provide a very effective approach to motorcycle safety. This is when a REP participant truly begins to understand what the Level I commitment means and sees the value in the program.

Requirement: Rider - a Certified Rider Course with 5,000 safe miles. Co-Rider - certified Co-rider Seminar or 2-up Rider Course. No cost to sign up. Patches available at \$5.00 per participant Receive: "Red Triangle" patch for either Rider or Co-rider signifying Level II participant.

#### Level III: Safety by Preparedness

Level III of the REP is also referred to as Certified Tour Rider/Co-Rider. It represents the commitment of the Rider and/or Co-Rider to be prepared in the event of an accident to give aid and possibly save

lives. This is done by being knowledgeable in First Aid or CPR and carrying a first aid kit on their motorcycle at all times.

It would be wonderful if we could achieve the coveted goal of zero accidents, however, we know realistically, accidents will happen. Because of this, it is important to be fully prepared to lend aid to unfortunate accident victims. It is important to always be prepared to save a life. Level III of the Rider Education Program was developed to deal with such circumstances by recognizing and encouraging proper First Aid or CPR training. CPR (Cardio-Pulmonary Resuscitation), has been used to save many lives. Being trained to render CPR or First Aid is a tremendous asset to those the REP participant will come in contact with daily.

Requirement: Current in Level II and have taken either First Aid or CPR training

No cost to sign up. Patches available at \$4.00 per participant Receive: "Certified Tour Rider" or "Certified Co-Rider" patch.

#### Level IV: Safety By Enhanced Commitment and Preparedness

Level IV is the most prestigious of the REP levels and is referred to as Master Tour Rider/Co-Rider. It represents the highest commitment of the Rider and/or Co-Rider to safe riding and preparedness. This commitment is shown by a demonstrated history of safe miles and current certification in both First Aid and CPR.. These Master Tour Riders/Co-Riders are the finest example to everyone of the highest commitment to safe motorcycle operation and preparedness.

Level IV of the REP, the Master Tour Rider, was designed for those special caring individuals who desire to "be all they can be" with regards to motorcycle safety. The requirements are more stringent than Level III and require a greater commitment. These individuals are

caring, trained and prepared with the experience to back them up. It is realized Level IV is not for everyone, but for those who desire to be of greater service to their fellow man, it is the correct prescription.

Why desire to be a Level IV Master Tour Rider? It's a worthy goal. Being prepared to save a life is a high calling indeed! These individuals are shining examples to the rest of the GWRRA membership. Others aspire to practice the same commitment as displayed by those who have attained Level IV. For that reason, because these individuals are ambassadors to the members at all levels, GWRRA provides a special gathering to celebrate the Master Tour Rider commitment each year at the District Rally, Region D Rally and Wing Ding.

Requirement: Current in Level III for one year and have taken both First Aid and CPR training. Have 25,000 Safe Miles and must be committed to riding with "Proper Riding Gear" at all times. Cost: \$35.00 for each participant (Black and Gold patch is available for another \$8.00)

Receive: "Special Triangular" patch with dark blue border and your individual Master number embroidered on it.

Note: all Level Program Patches are also available in "Black and Gold" at a charge of \$1.00 extra per level for levels I, II, and III.

So there you have the program structure:

- Level I Safety by Commitment
- Level II Safety by Education
- Level III Safety by Preparedness
- Level IV Safety by Enhanced Commitment and Preparedness

The GWRRA is proud to present the Rider Education Program. We encourage you to think seriously about motorcycle safety and be a participant in the GWRRA Rider Education Program. You should also remember the old cliche, "an ounce of prevention IS worth a pound of cure." Always wear protective riding apparel!

#### **COMMUNITY SERVICE**

#### **GET YOUR FLEECE READY!!**

During the Maintenance Day Chapter meeting some of us will construct fleece blankets for charity while the riders work on their bikes. Join us and we will teach you how to make these blankets. Fleece fabric can be purchased at Hancock's or Joanne's (usually the best prices). Look on line for coupons. Hobby Lobby sometimes has good deals too. You will need 2 pieces of 1 1/4 yd each for a child's blanket or 2 pieces of 2yds each for an adult blanket. You will also need to bring your scissors. If you are unable to make the May 7 meeting and would like to contribute fabric please purchase and bring it to the April meeting. We usually take the blankets to charitable organizations sometime in the fall so donations of fleece are always welcome. Laurie also requests any fleece or fabric scraps for bags that you may have been stashing away be brought to help her with her construction effort (nothing smaller than 12", clean and pressed.)

At the chapter meeting Laurie will demonstrate our other charitable effort. Many of you have heard us asking for the small shampoo, conditioner, soaps, toothpaste and toothbrush collection. Laurie (who is tirelessly making fabric bags to corral the hygiene items), will show how these are put together. When you travel be sure to save any sealed small items for these bags. If you cannot store them until they are needed in the fall, just bring them to a meeting and give them to one of the members of the Community Service Committee.

Thanks for your help, our Chapter I members always come through to help those in need.

We all love our pets and enjoy having them with us. To address the issues of health regulations and to honor our members who have allergic reactions to various animals, we ask that you not bring your pets into the Rally area.

ADA defined service animals only are exempt from this requirement. The Friendship Hall does display a "Service Animals Only" sign which we must respect. Colorado State regulations prohibit non-service animals from entering the premises. Pets whose function is to provide comfort or emotional support do not qualify under the Americans with Disability Act.
