~ From the Director's Desk ~

Spring! Do you think it's finally here?

We sure do feel like it's a time of renewal, new life, new birth!

We'd like to introduce our newest future Goldwinger, Alexandra Sophia Harp. She's our first grandchild, and she joined us on May 1.

Now on to motorcycles...

Spring is a great time to renew those bikes with some fresh oil, a thorough washing, and any other maintenance you've been putting off during the cold months.

And remember to refresh and renew your riding skills! Thank you, Earl, for reviewing the Safe Rider program for us. We haven't had a lot of new Master Rider awards lately; let's see if we can start raising a new crop, and help renew the chapter in the process.

To summarize the process, it's easy!

- Ride a lot
- Get First Aid certified every couple of years
- Take a Motorcycle skills class every three years
- Keep it up for four years
- And most importantly:

Ride safe!

-Don and Jackie

APRIL'S DINNER RIDE

We waited awhile before writing this review because we had to **wait awhile** to get seated for this dinner.

On Thursday, April 25, 2019, we met at the Hacienda Restaurant in the Costco shopping area on North Nevada Blvd. We had made reservations three weeks earlier and gave two updated head counts before the dinner date, as requested by Kira (sp?), the Restaurant Day Mgr..

On the dinner day, we received a confirmation call & text from the restaurant at about 2:00 PM and again gave the head count of 25 people. While we were assured all was well with our reservation, it is not how things worked out.

Dinner was set for 6:30 PM. After 3 cancellations, our number reduced to 20. At 6:15 PM, many of the group had arrived (including us) and the hostess could not find our reservation. After talking with her for a few moments, she was able to locate our reservation for 6:30 PM. One couple had to leave due to this prolonged delay, and we were very sorry for that. So, we were down to 18 'Hungry Wingers'. Finally, **at 7:15 PM**, we got seated at one - **l o n g** - table.

The night manager, Umberto (sp?), was apologetic, and with Didi's 'negotiating skills' chips and salsa were not the only pre-dinner snack. The manager compensated us with 6 complimentary appetizers, again apologizing for the delay.

While that delay was awkward, the food was very good and the servers were friendly and prompt.

It's odd how food can calm the nerves. While we would not want to make reservations there again for a big group, the Hacienda is a busy and popular place to eat; serving tasty food and one I would return to, as a couple or foursome.

While everyone took the wait in stride and understood that it was not our fault, it did supply some anxious moments for us as sponsors of the ride and for the members who joined us.

HAVE A SAFE AND FUN RIDING SEASON!

And we were so busy eating the free appetizers, we didn't take ANY pictures!
Thanks, Dick and Didi for setting up this fun time together, and for writing about it!

RIDEOLOGY

By Earl Edwards

What is that? What do I do to get there? Well, a lot of members are struggling to get to the 25,000 mile plateau for Level III to Level IV. Basically, you have to ride more than you do now. Duh!! We all know that we need to ride to accomplish this task. But how? Well, I use myself as an example. I ride everyday to work, which is 25 miles one way, give or take a couple of miles depending on the route to work and just to keep math simple. So 250 miles a week, not including weekends and 1000 miles a month. I ride from May to October which is 6 months or 6000 miles. You may ride in the months of March/April or November /December but you may not wander from home due to the weather here in Colorado. (Check the Weather Channel before you leave home.)

However, the bulk of the miles comes from out of state riding to Wing Dings and long distance vacation trips. Laura and I have been as far east as Washington, DC, North/South Carolina and Michigan and as far west as Seattle, San Francisco and San Diego. Most of our trips to the east coast average about 1700 miles one way and to the west coast about 1500 miles. So that's another way to rack up the miles and have fun at the same time.

Another way to accumulate miles is to go on rides that have been set-up by the Chapter Ride Co-ordinator. The Ride Co-ordinator sets up rides with your Chapter, other Chapters, and maybe Chapters from out of state. By going on Chapter rides, you get to meet new friends, visit new and different locations in the state or out of state. This is a way to get more miles on your motorcycle. That being said, whatever method that you choose to ride to get more miles ensure that you are safe when doing so. **Remember: Keep the shiney up!**

**ADVANCED
RIDER COURSE**

Only protect the parts of your body you would like to use for the rest of your life!
Any questions contact Earl @ edwards_1500@hotmail.com
Thanks and ride safe.

THE MOLLY-DHARMA RUN STORY

The Molly-Dharma Run (MDR) began in 2007 to benefit MaxFund, a No-Kill Animal Shelter in Denver, Colorado.

This motorcycle ride event was named for Molly-Dharma, a very large, intimidating dog, who had many issues to overcome before she could be adopted, and who was kept at MaxFund for over two and a half years before Kirk Zimmerman adopted her. Ken Mann walked Molly at MaxFund and introduced her to Kirk when she looked, and acted, like she wanted to rip him to pieces. It was touch and go in the beginning, very difficult. Kirk and Ken co-founded this event in Molly's honor for MaxFund in 2007, ... and have done this event every year since. Read her story on the MDR website www.Molly-DharmaRun.org and follow her event on Facebook at Molly-Dharma Annual Motorcycle Run. Molly turned 12 in September of 2015, and crossed the Rainbow Bridge in 2016.

R.I.P. Ms. Molly-Dharma 9/1/2003 – 8/19/2016

In 2012, the Molly-Dharma Run became a 501(c)(3) non-profit organization in its own right, in order to promote and help other shelters in Denver and Colorado.

Gratitude is what this ride is all about. Gratitude from Molly for finding her forever home, gratitude to all the rescue organizations and their volunteers, who work so hard and make it possible to find forever homes for the countless dogs and cats still in shelters! We hope that you will consider adopting your next pet from a shelter ... perhaps one that the MDR has supported.

This event is about honoring Molly and her story to Paw It Forward ... promoting and helping worthy animal rescue organizations, especially the smaller ones, to find forever homes for all the animals in their care!

The following shelters benefited from the MDR: Maxfund for 6 years; 2013, imhs.org; 2014 hsspv.org; 2015 everycreaturecounts.org; 2016 EAPL.com, 2017 Planet Pet and 2018 EAPL.com (in a drawing). We hope to find other special shelters each year, and we hope you have a great time on this ride for this year's very deserving rescue organization.

This year, 2019, we're happy to have another worthy shelter to benefit from the 13th Annual Molly-Dharma Run. That rescue organization is **4P4L Rescue**, Sedalia, CO 80135.

Let's ride for the animals! Keep the rubber down and put a little extra in the kitty if you can. Thank you, bikers and friends of the MDR!

Co-Founders: Ken Mann and Kirk Zimmerman

Let's help make this a great annual event for a new shelter every year. With your help, we can!

THE MOLLY-DHARMA RUN MISSION

To use our annual event to shine the spotlight on smaller rescue organizations that may not get the attention they so richly deserve. Each year, we work to raise funds and awareness of a new worthy shelter and always include the names of prior organizations that have benefited from our event. Please see our Honor Roll of Shelters on our website.

The MDR is a 501(c)3 non-profit charity organization (EIN 46-2194021).

Springs Wings News

Welcome your new Directors of GWRRA Jere and Sherry Goodman

President Anita Alkire and CEO Abel Gallardo are pleased to announce the appointment of Jere and Sherry Goodman as our new Directors of GWRRA. As we step forward into GWRRA's future, we are excited to bring their experience, leadership and vision as we continue strong field leadership for our Officers and Members.

Jere and Sherry bring a combined 39 years of love for GWRRA. Having traveled different paths through part of their Membership, together they bring a diverse perspective as GWRRA is a very important part of their life together. They have extensive leadership in GWRRA and have experienced it from many points of view. Both have been Chapter, District and Region Directors and have served as Presidential Assistants. Sherry has been a newsletter editor from Chapter, District to then Region E. They embrace the Couple of the Year program and both are involved with Rider Ed. They are also both riders, each riding their own GL1800 trikes. Together they bring a depth of involvement and understanding that rounds their vision for GWRRA.

In the July issue of *Wing World* magazine, look for their article where they will share their vision and goals for the future. Then be certain to join them at Wing Ding 41. We are very excited to welcome Jere and Sherry as the new Directors of GWRRA!

Please help me welcome them, Director@gwrroa.org
